SERVICES

The image shows a modern office interior with a high ceiling featuring a decorative, patterned metal finish and several circular recessed lights. The walls are covered in large-scale murals. On the left, a mural depicts a large steamship with the text 'HARLAND & WOLFF' above it. In the center, a framed portrait of a man in a suit is visible, with the name 'PANTRIDGE' partially legible. To the right, another mural shows a large industrial building. The floor is made of light-colored wood. In the foreground on the right, there is a modern seating area with dark blue armchairs and a low wooden coffee table. The overall atmosphere is professional and historical.

CAPABILITIES

CONTROL
PANELS

A photograph of an industrial control panel with various electrical components, including relays and terminal blocks, mounted on a metal frame.

PCB
ASSEMBLY

A close-up photograph of a green printed circuit board (PCB) with various electronic components, including a large black integrated circuit and several surface-mount components.

CABLE
ASSEMBLY

A photograph of several black cables with green and orange connectors, arranged in a row.

HIGH LEVEL
ASSEMBLY

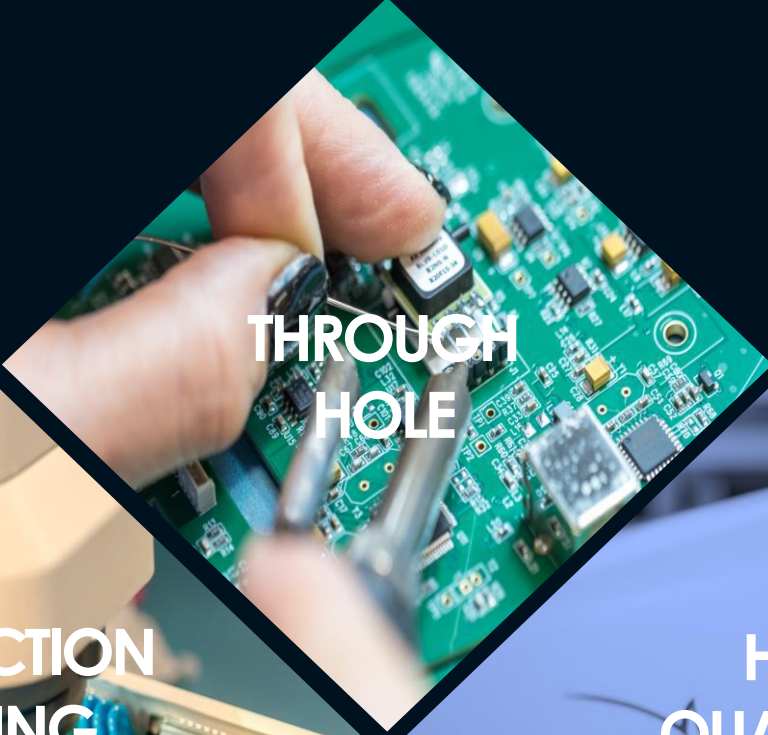

A photograph of a person's hand holding a green and red tool, possibly a soldering iron or a heat gun, near a white surface.

PCBA

**SURFACE
MOUNT**

A photograph of a surface-mounting machine in a factory setting. The machine is blue and white, with a large screen displaying the word 'lineo'. It is processing a green printed circuit board (PCB) with various electronic components.

**THROUGH
HOLE**

A close-up photograph of a person's hands using a pair of tweezers to place a small electronic component onto a green PCB. The component is being inserted into a through-hole in the board.

**CONFORMAL
COATING**

A photograph of a green PCB being coated with a blue conformal coating. The coating is being applied in a spray-like manner, covering the components and the board itself.

**INSPECTION
& TESTING**

A photograph of a person's hands using a magnifying glass to inspect a green PCB. The board is held in a fixture, and the person is looking closely at the components.

**HIGH
QUALITY**

A photograph of a green PCB with the text 'LYNX EVO' printed on it. The board is shown in a close-up, highlighting the quality of the components and the printing.

HARNESS COVERINGS

BRAIDING

A collection of various colored braided harness coverings, including green, orange, purple, and brown, shown in a diamond-shaped inset.

TIEWRAPS

Four bundles of tiewraps in yellow, red, green, and blue, shown in a diamond-shaped inset.

OPEN SLEEVE

A close-up of an open sleeve covering a bundle of wires, shown in a diamond-shaped inset.

SPLIT CONDUIT

A close-up of a split conduit covering a bundle of wires, shown in a diamond-shaped inset.

SOLID CONDUIT

A close-up of a solid conduit covering a bundle of wires, shown in a diamond-shaped inset.

TAPING

A close-up of a roll of black tape, shown in a diamond-shaped inset.

ADDITIONAL SERVICES

COMPETITIVE
SOLUTIONS

A man in a white shirt and tie is running on a red track, carrying a large cardboard box. The background is a bright, hazy sky.

CONSIGNMENT
STOCK

A long, brightly lit warehouse aisle with high ceilings and numerous cardboard boxes stacked on tall metal shelving units.

WORLDWIDE
SOURCING

A blue globe with white lines connecting various points, representing a global network or supply chain.

ENGINEERING

A technical drawing or schematic of a mechanical component, showing various dimensions and specifications.

DESIGN FOR
MANUFACTURE

A complex circuit board design with various components and labels, including text in Russian like "ПОДГОТОВКА К ПРОИЗВОДСТВУ" (Preparation for production).

DIRECT
SHIPPING

A globe surrounded by several cardboard boxes, with a computer keyboard visible in the background.
