

HIGH LEVEL ASSEMBLY (HLA)

The image shows a modern office interior with a high ceiling featuring a decorative, patterned metal finish and several circular recessed lights. The walls are covered in large-scale murals. On the left, a mural depicts a large steamship with the text 'HARLAND & WOLFF' above it. In the center, a framed portrait of a man in a suit is visible, with the name 'PANTRIDGE' partially legible. To the right, another mural shows a large industrial building. The floor is made of light-colored wood. In the foreground on the right, there is a modern seating area with dark blue armchairs and a low wooden coffee table. The overall atmosphere is professional and historical.
